

Name: _____

In 1862, there was a battle near the town of Puebla. At that time, Puebla was just a small village. Today, Puebla has more than 800,000 people! To find out how Puebla ranks with other cities in Mexico, trace the shortest path through the maze below. After you have traced the path, write the letters in the spaces to find a message about Puebla. Be careful! You may get a surprise answer if you make a wrong turn!

Cinco de Mayo Maze
